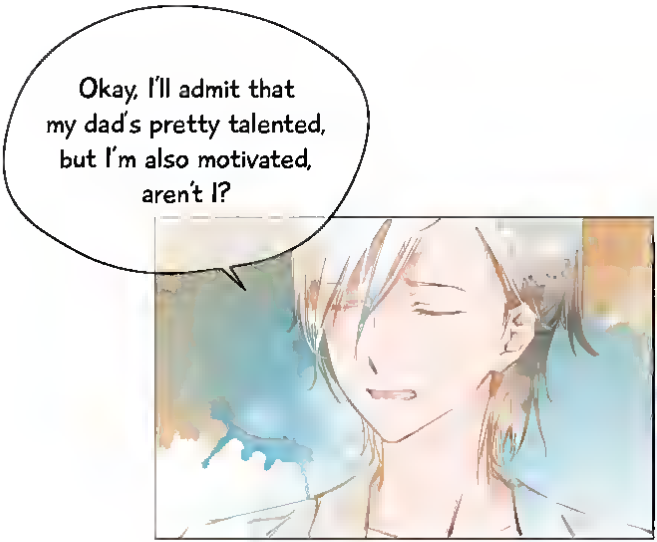
# CHAPTER 13
# RIDE



Okay, I'll admit that my dad's pretty talented, but I'm also motivated, aren't I?

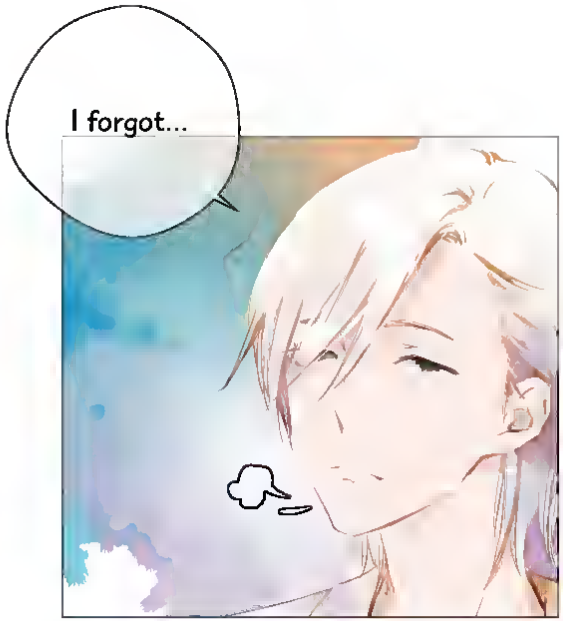
You're not motivated at all!
In any case, I've got a bunch of certificates. .

You're just like your old man, obsessed with making money...
You don't do anything else apart from playing with your car...
Could you be a little less blunt?
I came today because...

Hey! Did you bring your passes?

Do you really have to check on us every time, Mr. Lu?
Is this the handsome white haired guy with the sports car?
Ah, it's you two ladies!
You know, the one who always makes comments about your chest every time you meet!
I actually had the nerve to say something that perverted..
There's no way he didn't think they had their passes. He probably just wanted to come out..

So what were you going to say about coming here today?



I forgot...

Oh yeah! I stole my dad's prized 30 year old wine!

You should have some fun while guarding the door, mister! I'm gonna get going.

Oh I just remembered~ So for the "Happy New Homes" program that I'm participating in, I wanted to borrow your yard.

What are you up to now? Your dad's the station chief...
Is this some sort of hidden rule?

It's got nothing to do with him.

I just want to compete well against him.

Compete with this kid?

That year your father lost to his father... This'll be interesting!

Hey man, your car's pretty sweet. How 'bout a race?

Idiot.

Hey beautiful~
Still remember me?

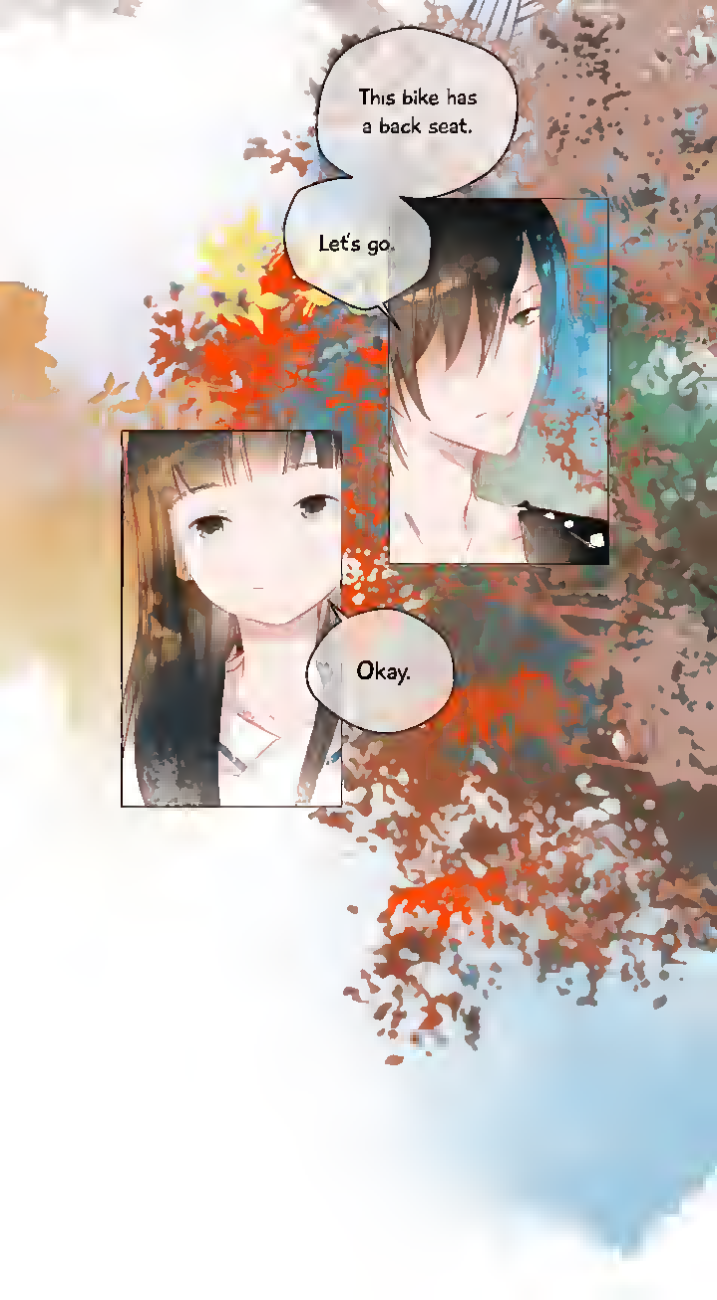
Ah! Aren't you Miss Ting's boyfriend?

Looks like I've gained another girlfriend somehow...
Are you headed to the studio? I'm on my way there, so hop in.

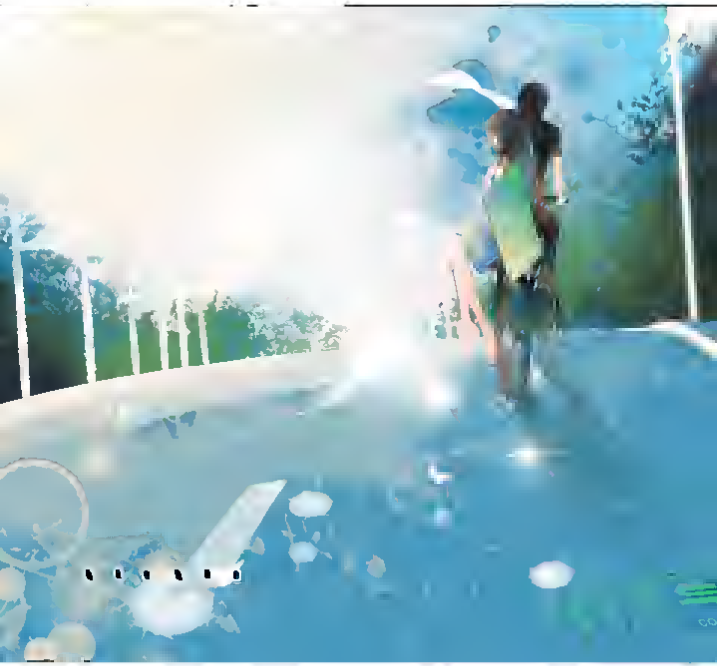
I... I'm fine.

RING RING
Class is about to start. What are you doing back here?

Let's go! I'll take you there.



This bike has a back seat.
Let's go.
Okay.



You're too cruel,
Xiao Shen Zhe!

To be continued...

Hey~ Want a ride? It'll be just three monthly passes~
